

Representative Office of the German Prevention Congress in Ukraine

[Our Team](#) -Germany

The German Prevention Congress (DPT – Deutscher Präventionstag) is a non-profit limited liability company. It is a wholly owned subsidiary of the German Foundation for Crime Prevention and Offenders (Deutschen Stiftung für Verbrechenverhütung und Straffälligenhilfe – DVS).

In addition to organizing the annual congress, the DPT, with its Institute for Applied Prevention Research (DPT-I), is involved in various other areas of prevention. The gGmbH employs various full-time and associated employees.
