

International Prevention Board of the German Prevention Congress

The International Prevention Board is one of the bodies of the German Prevention Congress. Through its representatives in Europe, the Americas and Asia, this body helps to extend the German Prevention Congress's global influence on various aspects of prevention work. The German Prevention Congress's representatives on the various continents are:

Central and South America: **Dr Veronica Martinez-Solares;**

Ukraine: **Prof. Dr. Grygorii Moshak;**

Canada: **Dr Felix Munger;**

Korea and Asia: **Harkmo Daniel Park;**

North and Latin America: **Prof. Dr. Irvin Waller.**

The work is led by the Chairman of the International Prevention Board, **Dr Detlef Schröder.**

Dr. Dr. h. c. Detlef Schröder is the former Executive Director of CEPOL and a senior consultant specializing in security sector reform, the rule of law, police service reform and capacity building.
